2006

Cyber Safety Summit: Protecting Children Online

Hear from experts about the dangers children face online and the strategies and resources used to counter them. Audience specific training workshops, exhibits, and demonstrations will also be offered. Ideal for parents, parent teacher organizations, educators, law enforcement, prosecutors, community leaders, community based organizations, and child safety advocates.

Interactive Workshops:

SESSION 1

Understanding Cyberspace

Geared towards parents and educators

The Role Of Schools In An Online World

Geared towards educators

Online Victimization and How to Avoid It

Geared towards parents, educators, law enforcement

* Investigating Online Crimes Against Children

For law enforcement and prosecutors only (credentials must be shown)

SESSION 2

Internet Safety In The Home

Geared towards parents, PTA

Internet Safety In The School

Geared towards educators, PTA

The New Playground: The Safe, Smart, And Legal Way

Geared towards parents, educators

SESSION 3

Internet Safety Education Programs—Overview and Demonstrations

Geared towards parents, educators, law enforcement

* This is a two hour workshop for law enforcement and prosecutors

The Department of Consumer Affairs, with Governor Arnold Schwarzenegger, the California Coalition for Children's Internet Safety (CCCIS), and a host of many State and private agencies, presents the first California *Cyber Safety Summit*.
